Providence ElderPlace, a new health care choice for North Coast older adults, is a provider of the Program of All-Inclusive Care for the Elderly (PACE).

Providence ElderPlace benefits:

- Older adults who want to live at home and need support
- Caregivers caring for older adults living at home
- Health professionals who want to help older adults living at home with a complete care system

In the State of Oregon, home can include living in one's own residence, an assisted living facility or adult foster home.

Providence ElderPlace supports older adults, who might otherwise live in long-term nursing homes, live independently in the community and with a high quality of life.

All authorized services are covered in full for Providence ElderPlace members. Members may be liable for the cost of unauthorized services.
