

LIGHT *up a* LIFE

Celebrate the memory of a loved one.

Your meaningful contribution will light up the lives and meet the needs of hospice patients and families. Pick up a Light up a Life contribution envelope and make your special donation. Envelopes are available at hospital gift shops or by calling 503-215-4622. You may also donate online at Providence.org/lightupalife. The name of the person you are celebrating will be written on a heart-shaped ornament and placed on the *Light up a Life* tree at the location of your choice.

Light up a Life events at these locations will include the reading of the names of those honored and the official lighting of the tree.
